

OUR WORLD OUR FUTURE HEADDRESS

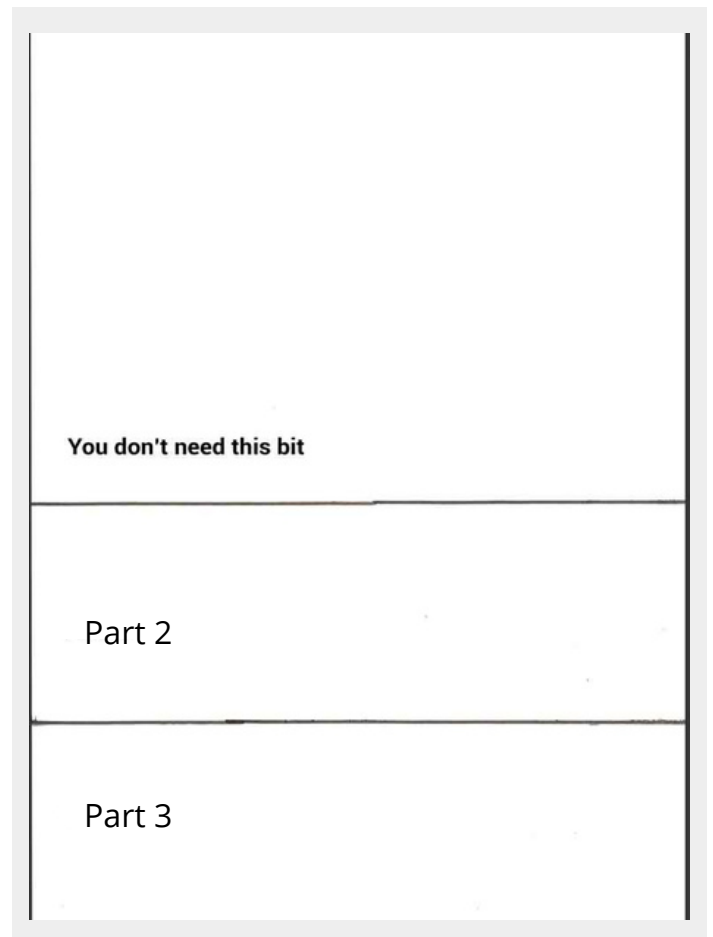

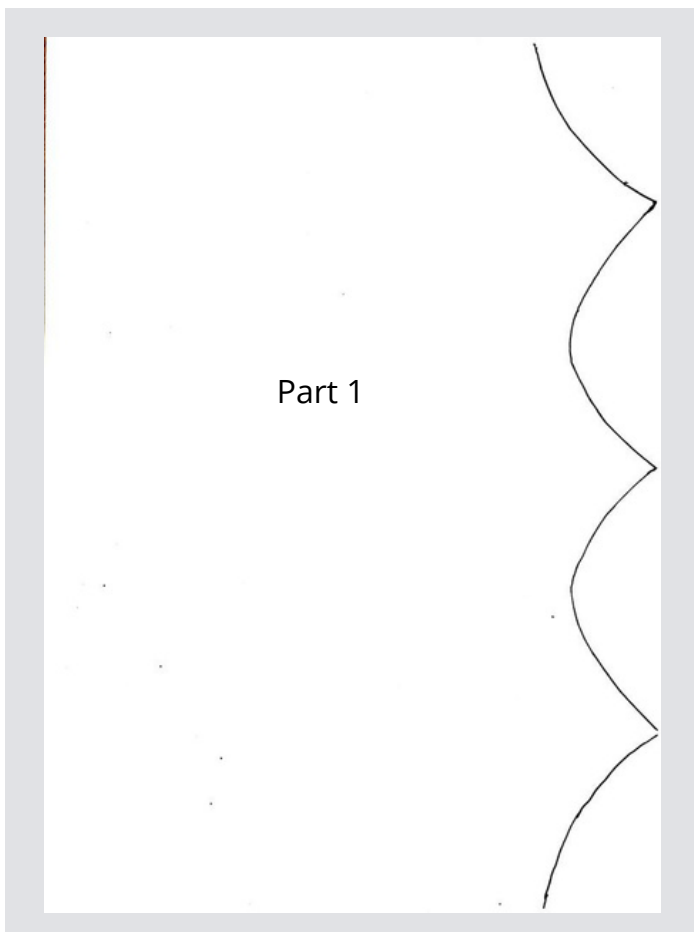

UK
Centre for
Carnival Arts

You will need

- A4 paper (and preferably a printer)
- Scissors
- Glue
- Paint and paint brushes

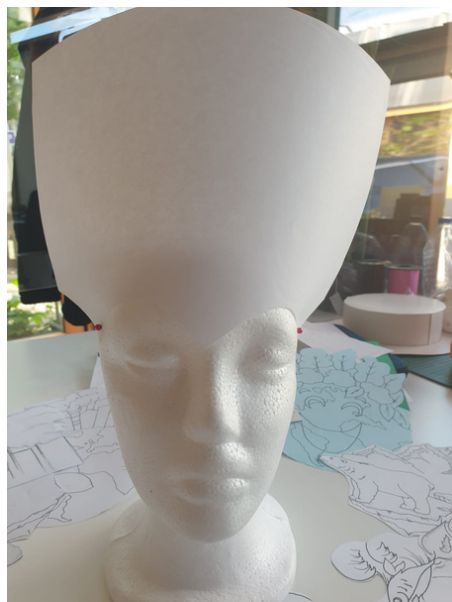

Create your headdress base

The first step for all the designs is to create the headdress base. You can do this with two pieces of A4. The templates for the base are on pages 6 and 7 of this booklet., You will end up with 3 pieces in total for your base.

To put your base together you first take part 1, and stick one side of part 2 to it. Then measure around your head to stick the other end of part 2 to the other side of part 1. This forms a crown shape, where the top of heart shape will sit above your eyebrows.

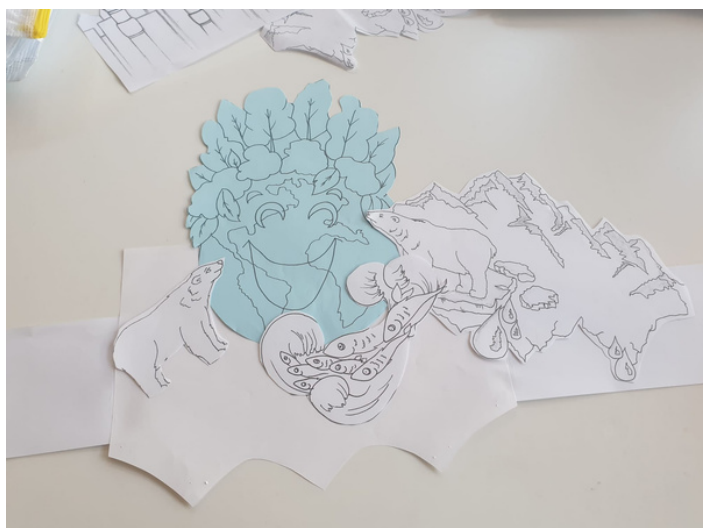

Make sure your head piece is the right way up! It frames the face like this.

Print out your decorative templates

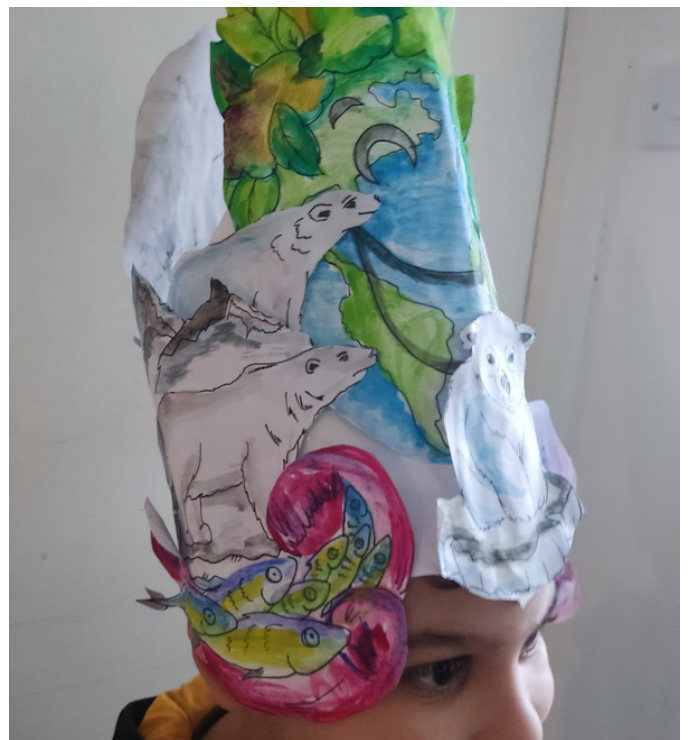

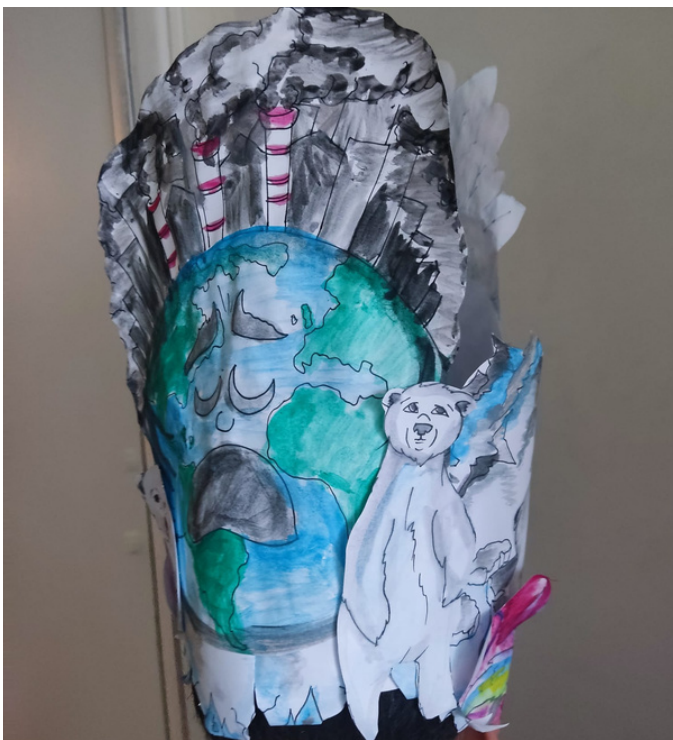

If you haven't already, print out your templates (pages 8 onwards).

You can use all or just a few templates in the pack or how about having a go at designing your own! What does our world our future mean to you?.

Cut out and colour in your designs

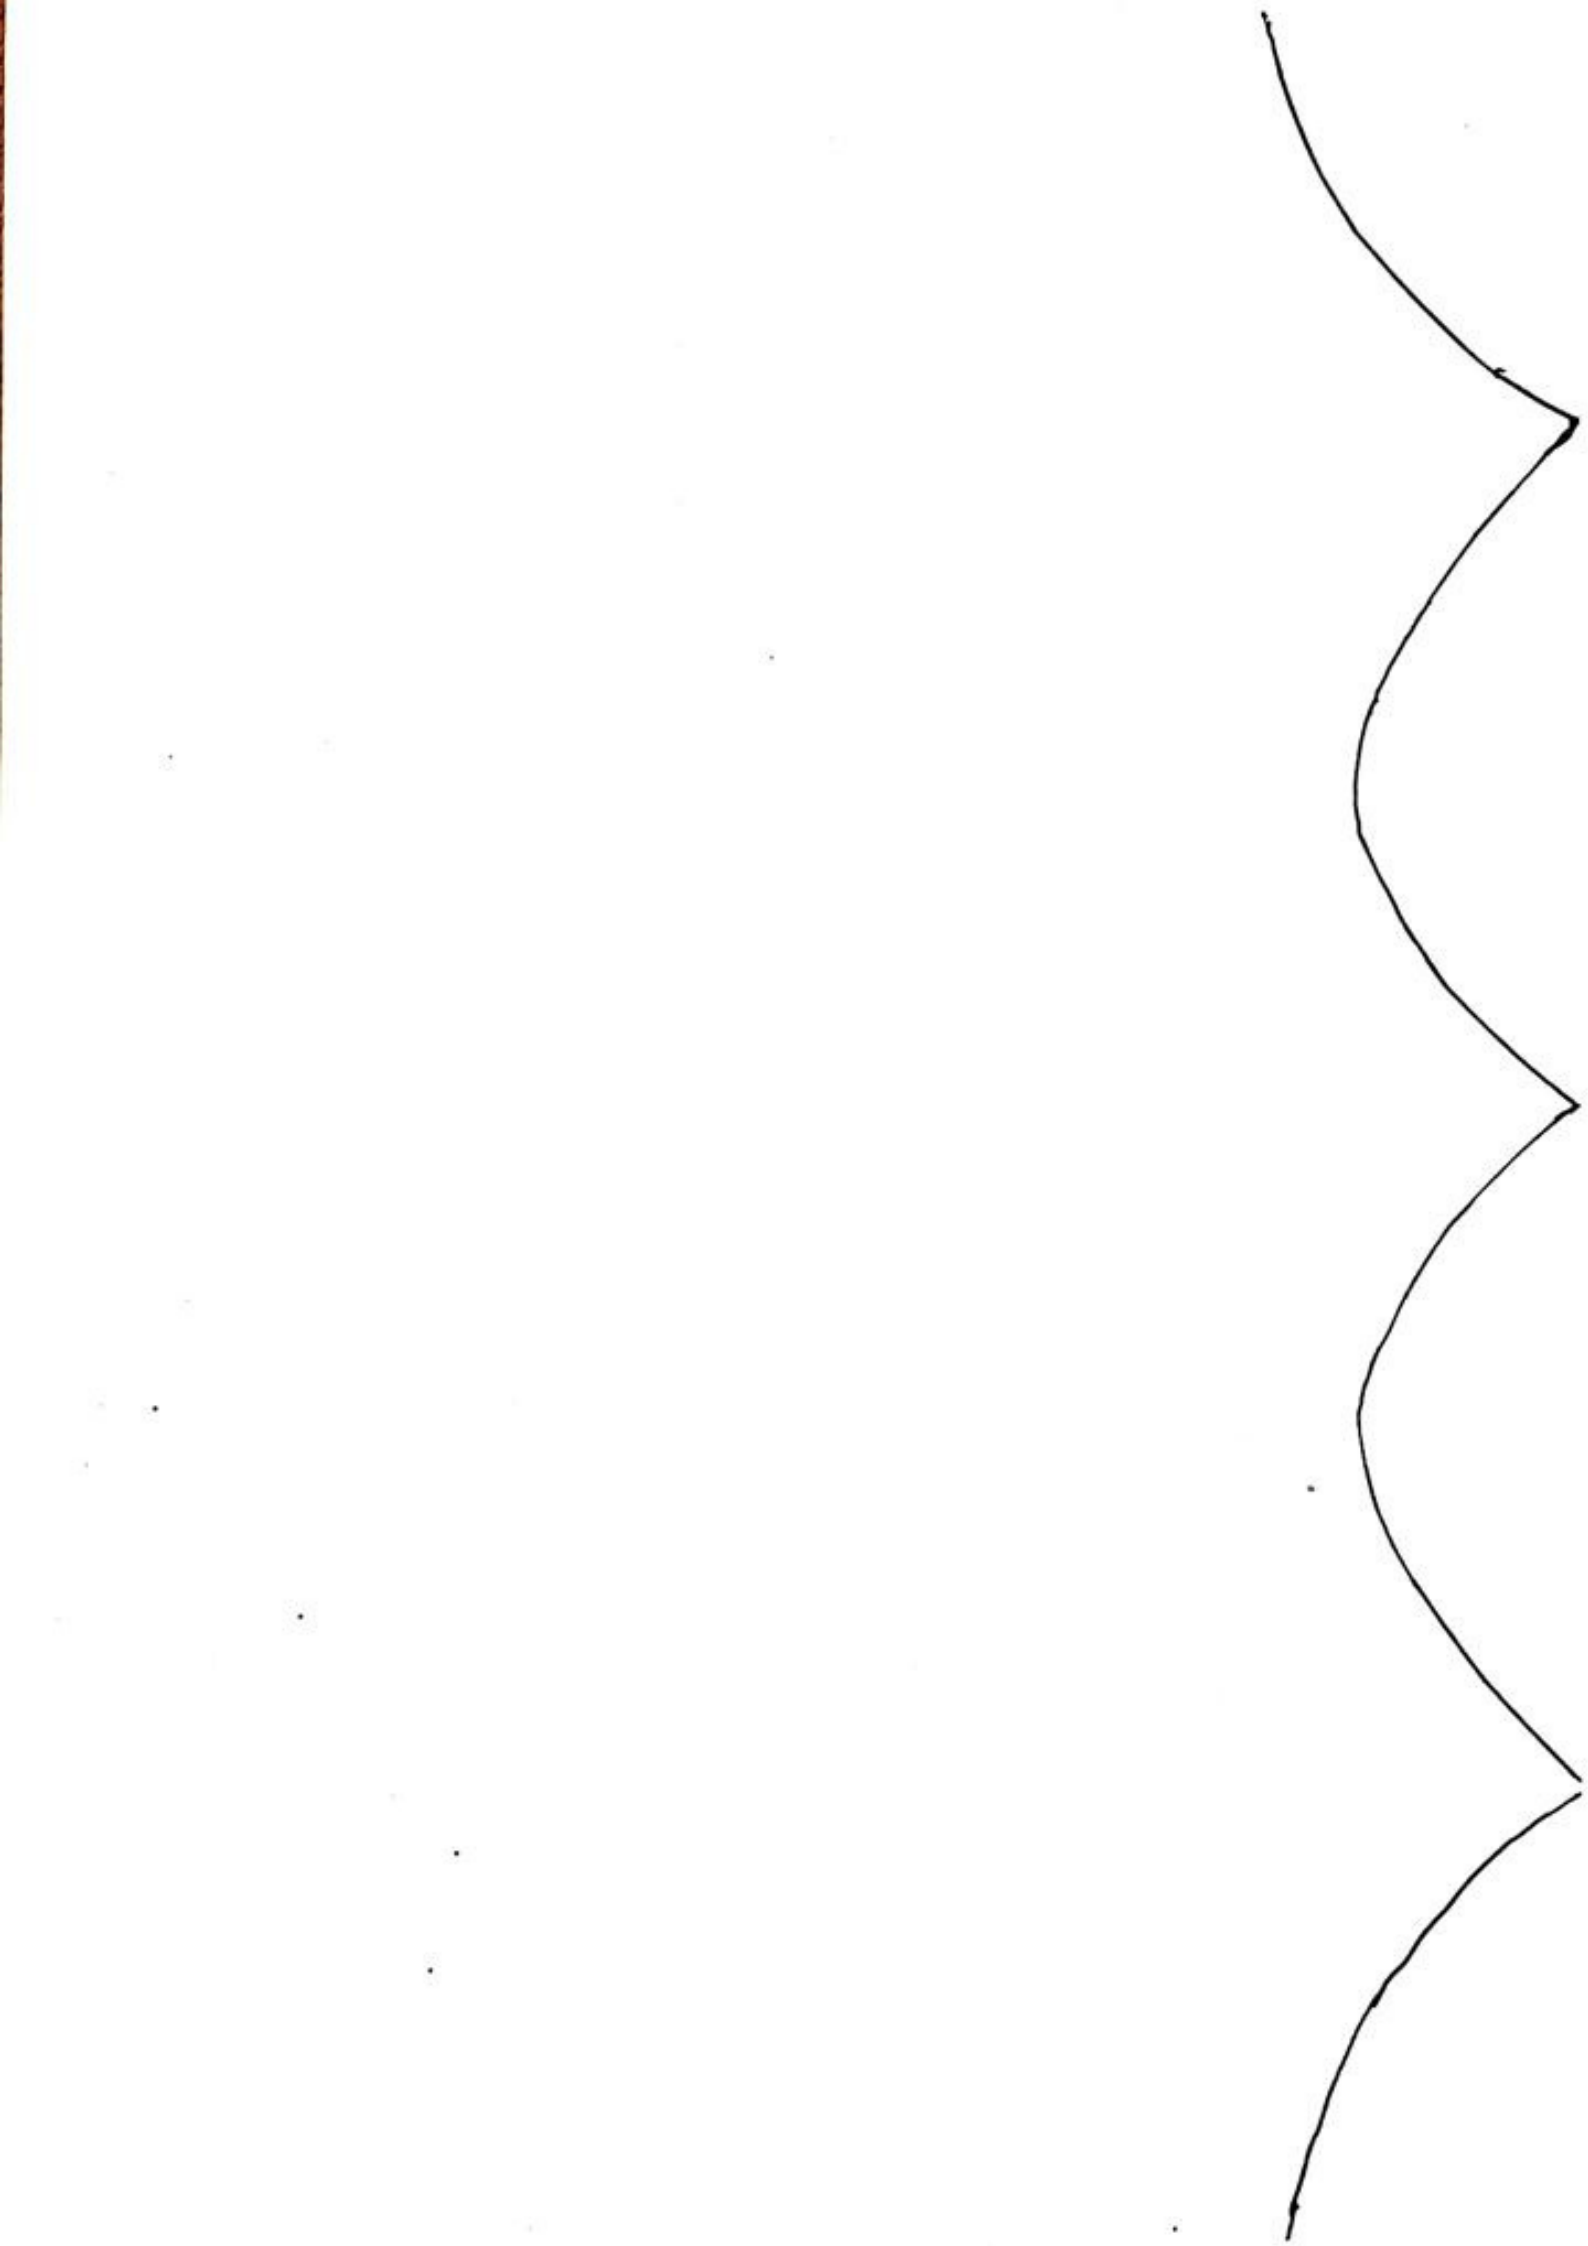

You can colour the patterns any way you wish. Once you are happy with your designs, you can arrange them around your headdress like in the examples below.
